

# SAF User Documentation : Grid Definition Viewpoint

Domain	Aspect	Maturity
Common	Taxonomy & Structure	 proposed

## Example

GLOSSARY  COGAPS Glossary Table  FFOS Glossary Table	CONTEXT & EXCHANGE	TAXONOMY & STRUCTURE	PROCESS & BEHAVIOR	INTERACTION & COLLABORATION	INTERFACE	REQUIREMENT	SAFETY & SECURITY	TRACEABILITY & MAPPING
COMMON DOMAIN SCV		Common Structure  FFOS Model Reference Definition						
OPERATIONAL DOMAIN SOV	Operational Context & Exchange  COGAPS Operational Table  FFOS Context Definition	Operational Structure  COGAPS Structure Table Definition  FFOS Operational Reference Definition	Operational Process  COGAPS Process Table  FFOS Process Definition	Operational Interaction  COGAPS Interaction Table  FFOS Interaction Definition	Operational Interface Definition  COGAPS Interface Table  FFOS Interface Definition	Stakeholder Requirement  COGAPS Requirement Table  FFOS Requirement Definition		Traceability & Mapping  COGAPS Traceability Table  FFOS Traceability Definition
FUNCTIONAL DOMAIN SFV	System Context & Exchange  COGAPS System Context Table  FFOS System Context Definition	System Structure  COGAPS System Structure Table  FFOS System Structure Definition	System Process  COGAPS System Process Table  FFOS System Process Definition	System Interaction  COGAPS System Interaction Table  FFOS System Interaction Definition	System Interface Definition  COGAPS System Interface Table  FFOS System Interface Definition	System Requirement  COGAPS System Requirement Table  FFOS System Requirement Definition	System Hazard  COGAPS System Hazard Table  FFOS System Hazard Definition	Traceability & Mapping  COGAPS Traceability Table  FFOS Traceability Definition
LOGICAL DOMAIN SLV	Logical Context & Exchange	Logical Structure  FFOS Logical Architecture Definition	Logical Behavior	Logical Interaction & Internal Exchange  FFOS Logical Interaction	Logical Interface Definition			Mapping  FFOS Mapping Definition
PHYSICAL DOMAIN SPV	Physical Context & Exchange  FFOS Physical Context Table  FFOS Physical Context Definition	Physical Structure  FFOS Physical Structure Table  FFOS Physical Structure Definition	Physical Behavior	Physical Interaction & Internal Exchange  FFOS Physical Interaction Table  FFOS Physical Interaction Definition	Physical Interface Definition  FFOS Physical Interface Table  FFOS Physical Interface Definition			Mapping  FFOS Mapping Definition

## Purpose

The Grid Definition Viewpoint serves as graphic representation of the Views present in a System Model.

## Applicability

The Grid Definition Viewpoint supports the "System Viewpoints, Views and Models" input/output of various Technical Processes in SEHB5.

## Presentation

A content diagram featuring a matrix view for the SAF Viewpoint conceptual model: Rows represent Domains, and columns represent Aspects, and the cells manage the Viewpoint Profiles.

## Stakeholder

## Concern

---

## Profile Model Reference

---

The following Stereotypes / Model Elements are used in the Viewpoint:

- [SAF\\_Diagram](#)
- [SAF\\_SCV02b\\_View](#)

## Input from other Viewpoints

---

### Required Viewpoints
